ACTIVITY SHEET #1

Jamal took many young ladies to be married to Sultan Malik. Only one, Jamal's own daughter, Chardae, remained the Sultan's wife. Which picture below shows Jamal and his daughter Chardae? Follow the directions to **find Jamal and Chardae**, on their way to the Sultan.

Jamal's daughter does not like stripes.

Chardae is standing at her father's left side.

Chardae has very long hair.

JAMAL LOVED THE CURLS ON CHARDAE'S HEAD.

The pattern on Chardae's dress reminded Jamal of the sand in Iraq's deserts.
